IMPORTANT NOTICE: Our fact sheets, guides and brochures are designed to provide generic information about construction processes and owners responsibilities which vary depending on individual site conditions, statutory requirements and contractual arrangements. Please consult your individual documentation for confirmation of the terms that apply to you. Images of facades shown are a guide only. Material finishes, dimensions and colours shown are purely an expression of the artist and subject to change depending on availability and design updates. Please refer to our current price list and specifications for facade finishes allowed in published price. Garage doors are panel lift doors. Garage door glazing is an additional cost. Facades shown apply to the standard plan. Images in this brochure including actual photographs and rendered imagery may depict fixtures, finishes and features not supplied by Mojo Homes such as furnishings, landscaping, plants, decking, water features and swimming pools. Accordingly, published prices do not include the supply of any of these items. Images may also depict optional variotions to the home design which incur additional costs such as window furnishings, window pelmets, light fittings such as pendant and down lights, front paths, driveways, fencing, barbecues, floor coverings, rendered external walls and upgraded kitchen/bathroom layouts or finishes. Floor plans and room dimensions may differ slightly depending on your chosen facade (for example, window locations may differ with different facades). Plans are not shown to scale and all measurements are approximate only. Sliding windows and doors may not open in direction shown. Mojo Homes reserves the right to change floor plans, prices, specifications, materials and suppliers without notice. All rights reserved. Changed items may vary slightly in colour, style and finish to the original selection or as displayed.
