Live Passionately

100% STEEL FRAMES, TRUSSES AND JOISTS – NO HYBRID HERE!

Your new MOJO home will be built with a precision-engineered 90mm steel frame, trusses and floor joists as standard. So you can enjoy more out of life knowing that you can Live Passionately, now and long into the future.

With an incredible strength-to-weight ratio, you can achieve an inspired, architect-designed open plan lifestyle, complemented by the ability to finish off your home with your choice of COLORBOND® steel or Boral roof tiles.

Australian made, for Australian conditions

Enjoy long-term confidence and peace of mind thanks to a Manufacturer's Warranty* and a commitment that TRUECORE® steel will remain straight and true and not shrink, twist or warp over time.

Benefits of Building with Steel

- Inner strength and durability
- Straight and true
- 100% Insecticide free
