# THE MOJO FACTOR

Since opening our doors in 2014, we've built a reputation as the go-to builder for those who want flair, quality and an original take on home design.

Like a breath of fresh air, our unique range immediately appeals to savvy buyers who don't want to live in a variation of a home they've seen before; who want a home stamped with their own creativity; and who are drawn to MOJO's signature design, sophistication and style.

We're all about living passionately so we build vibrant homes that embrace the fact that just as every family is different, so should their homes be. MOJO never accepts the status quo and our designs reflect this philosophy. It's an approach we've taken to a whole new level by raising the bar with an inclusion offering that incorporates many features most builders regard as extras.

MOJO Homes builds in the Greater Sydney, Hunter, Central Coast and Illawarra regions on both greenfield and knockdown/rebuild sites. Our homes include Single and Double storey designs, Acreage options and Dual Living residences. And, as part of the NXT Building Group, we're backed by over 35 years of home building experience.
