Terms and Conditions

The MojOMG promotion allows a new client to apply \$50,000 worth of credits to products listed in the "Mojo Premium Value" list or the "Tempo by Mojo" inclusions list, to which these terms and conditions accompany, when entering into a contract for the construction of any new home with Mojo Homes ("house and land packages and dual living homes excluded). To be eligible for the \$50,000 credit, a new client must enter into a construction contract before 17 February 2019. This date may be extended at the absolute discretion of Mojo Homes by written offer alone. The \$50,000 MojOMG Promotion credit cannot be used to pay any costs of the construction contract not expressly included on the "Mojo Premium Value" list or the "Tempo by Mojo" list. The client must nominate in writing where the \$50,000 is to be spent and cannot be applied as a credit towards site costs or the base price of the home. If all or any part of the \$50,000 is not used as a credit toward the items listed on the "Mojo Premium Value" list or the "Tempo by Mojo" list that amount is voided and is not redeemable in cash or any other form of credit. This offer cannot be used in conjunction with any other promotional offer by Mojo Homes. **Pre-priced Ducted Air Conditioning** - The ducted air conditioning available for purchase with the MojOMG Promotion comprises of an Actron Air Classic 2 zone (Day/Night) reverse cycle ducted air conditioning system including supply and installation. Ducted air conditioning includes power connection (3 phase where applicable) from the street point in a direct line to the home with up to a 6 (six) metre setback. This specified ducted air conditioning system may not be suitable for the conditions or individual use of your home and any upgrade will be subject of a variation to which the \$50,000 credit may not apply unless used as part of the \$10,000 Variation Voucher. **Pre-priced Floor coverings** - The floor coverings available for use with the MojOMG Promotion include the supply and install of carpet and / or tiles from the builder's nominated range to the standard floorplan and exclude floating floors. The pre-priced floor coverings include tiles to the entry area, kitchen, dining and ground floor living areas only. If carpet is selected it includes covering to the home theatre, bedrooms and stairs and first floor living areas (if applicable). Both pre-priced floor covering options excludes porch, alfresco and standard wet area tiled areas. **The \$10,000 Mojo Variation Voucher** can be applied toward the cost of variations to the standard floorplan, where such variation is accepted by Mojo Homes. Variations may be accepted at the absolute discretion of Mojo Homes. Mojo Homes reserves the right to revise, update or change prices without prior notice or obligation. Mojo Homes reserves the right to withdraw the MojOMG Promotion offer at any time.
